

White Beans and Greens

Source: Natural Vegan Kitchen by Christine Waltermeyer

When I was just a wee tyke, my grandfather, Vincenzo Agresta from Calabria, Italy, prepared sauteed beans and greens regularly, much to my delight. This is my version of beans and greens, dedicated to Grandpa Agresta.

About the Recipe

207 Calories · 14 g Protein · 10 g Fiber

Gluten-free · Nut-free

Ingredients

Makes 4 Servings

- 1 onion
- 2 cloves garlic
- 3 cups (555 grams) cannellini beans
- 1 bunch kale
- Iodized salt
- Ground black pepper

Directions

1. Heat the 2 tablespoons (30 mL) water in a large skillet over medium heat. Add the diced onion and minced garlic and cook and stir for 5 minutes, or until the onion is translucent and soft. Add another small splash of water if needed to prevent the onion from sticking to the pan.
2. Add the beans (cooked or canned) and cook and stir for 5 minutes. Add the kale, about 5 cups (105 g) chopped, and another splash of water, if needed, to keep the beans from sticking to the skillet. Season with sea salt and pepper to taste. Cover and cook for 5 to 10 minutes, or until the kale has wilted and is

tender to your liking. Serve hot or at room temperature.
