Ingredients

Makes 4 Servings

- raw cashews (1/4 cup)
- grated carrots (4 cups)
- golden raisins (1/4 cup)
- ground cardamom (1/2 tsp.)
- agave nectar, raw sugar, or jaggery, or to taste (1/4 tsp.)
- roasted almond slivers, for garnish (1 tsp.)

Directions

1. To make cashew paste, place 1/4 cup (33 grams) raw cashews in 1 cup (240 milliliters) of water to soak for half an hour.
2. After cashews are soaked, place them in a food processor and process into a fairly smooth paste. To achieve a more paste-like texture, pour out the water and continue to grind the cashews and then add a little water if needed to achieve desired consistency.
3. In a medium sauce pan with a steamer, cook carrots until tender when pierced with a fork.
4. Add cashew paste, raisins, and cardamom and cook until heated through, about 2 minutes.
5. Taste the dish and add agave nectar, raw sugar, or jaggery as desired. Garnish with almond slivers before serving, if desired.
