

# Human-Relevant Research Universities Across the United States

State	University	Lab Name	Subject Focus Area	Website
AL	University of Alabama	Kim Laboratory	Bioprocessing Expansion of Cancer Stem Cells	<a href="http://ykim.eng.ua.edu/index.html">http://ykim.eng.ua.edu/index.html</a>
AL	Auburn University	MRI Research Center	Imaging	<a href="http://www.eng.auburn.edu/research/centers/mri/index.html">http://www.eng.auburn.edu/research/centers/mri/index.html</a>
AK	University of Alaska Fairbanks	IDEA Network of Biomedical Research Excellence	Biomedical and Behavioral Research	<a href="https://www.alaskainbre.org/">https://www.alaskainbre.org/</a>
AZ	University of Arizona	Hurwitz Lab	Biosystems Engineering	<a href="http://www.hurwitzlab.org/">http://www.hurwitzlab.org/</a>
AZ	University of Arizona	Thorne Lab	Cell and Cancer Biology	<a href="https://thornelab.org/">https://thornelab.org/</a>
AR	University of Arkansas Little Rock	Center for Molecular Design and Development	Molecular Modeling	<a href="http://cmdd.ualr.edu/">http://cmdd.ualr.edu/</a>
AR	University of Arkansas Little Rock	Center for Integrative Nanotechnology Sciences	Bio-Nanotechnology	<a href="https://ualr.edu/nanotechnology/research/">https://ualr.edu/nanotechnology/research/</a>
CA	University of California San Diego	Chen Laboratory	Nanobiomaterials, Bioprinting, and Tissue Engineering	<a href="http://schen.ucsd.edu/lab/">http://schen.ucsd.edu/lab/</a>
CA	Stanford University	BAMM Laboratory	Microfluidic Technology	<a href="https://bammlabs.stanford.edu/home">https://bammlabs.stanford.edu/home</a>
CO	University of Colorado	BioFrontiers Institute	Interdisciplinary Bioscience	<a href="https://www.colorado.edu/biofrontiers/">https://www.colorado.edu/biofrontiers/</a>
CO	University of Colorado	Benam Lab	Lung Microengineering	<a href="https://benamlab.net/">https://benamlab.net/</a>
CT	University of Connecticut	Institute of Materials Science	Materials Science and Engineering	<a href="https://www.ims.uconn.edu/">https://www.ims.uconn.edu/</a>
CT	Yale University	Center for Research on Interface Structures and Phenomena	Materials Science and Engineering	<a href="https://crisp.yale.edu/">https://crisp.yale.edu/</a>
DE	University of Delaware	Skater Lab	Biomedical Engineering	<a href="https://sites.udel.edu/slatergroup/">https://sites.udel.edu/slatergroup/</a>
DE	University of Delaware	Center for Bioinformatics and Computational Biology	Bioinformatics and Computational Biology	<a href="https://bioinformatics.udel.edu/">https://bioinformatics.udel.edu/</a>
FL	University of Florida	Stabler Laboratory	Diabetes Tissue Engineering Laboratory	<a href="https://www.bme.ufl.edu/labs/stabler/">https://www.bme.ufl.edu/labs/stabler/</a>
FL	Florida International University	TEMIM Lab	Tissue Engineered Mechanics, Imaging, and Materials	<a href="http://www.temim.fiu.edu/index.htm">http://www.temim.fiu.edu/index.htm</a>
GA	Georgia Tech	Biomaterials and Regenerative Technologies	Regenerative Medicine	<a href="https://bme.gatech.edu/bme/biomaterials-and-regenerative-technologies">https://bme.gatech.edu/bme/biomaterials-and-regenerative-technologies</a>
GA	University of Georgia	Regenerative Bioscience Center	Regenerative Medicine	<a href="http://rbc.uga.edu/index.html">http://rbc.uga.edu/index.html</a>
HI	University of Hawaii	MRI Research Center	Imaging	<a href="http://mri.jabsom.hawaii.edu/">http://mri.jabsom.hawaii.edu/</a>
HI	University of Hawaii	Microdevices and Microfluidics Lab	Microrobots and Cell Manipulation	<a href="https://sites.google.com/a/hawaii.edu/uh-mnm-lab/">https://sites.google.com/a/hawaii.edu/uh-mnm-lab/</a>
ID	Universtiy of Idaho	Biological Engineering	Biological Engineering - Tissue Engineering and Stem Cell Differentiation	<a href="https://www.uidaho.edu/engr/departments/be">https://www.uidaho.edu/engr/departments/be</a>

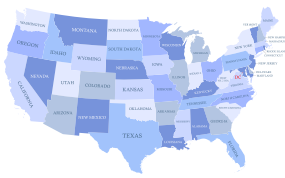

# Human-Relevant Research Universities Across the United States

State	University	Lab Name	Subject Focus Area	Website
IL	University of Illinois at Urbana-Champaign	Jl Labs	Diagonostics, Therapeutics, and Tissue Engineering	<a href="https://publish.illinois.edu/jirudayarajlabs/">https://publish.illinois.edu/jirudayarajlabs/</a>
IL	University of Illinois at Urbana-Champaign	Tissue Development and Engineering Laboratory	Microenvironmental Reactions on Tissue Development, Regeneration and Disease	<a href="http://underhill.bioen.illinois.edu/index.html">http://underhill.bioen.illinois.edu/index.html</a>
IN	Indiana University Bloomington	Neuroscience of Mind and Behavior Lab	Neuro Imaging	<a href="http://www.indiana.edu/~krendlab/research.php">http://www.indiana.edu/~krendlab/research.php</a>
IN	Indiana University Bloomington	The Cognition and Action Neuroimaging Laboratory	Nuro Imaging	<a href="http://www.indiana.edu/~canlab/index.html">http://www.indiana.edu/~canlab/index.html</a>
IA	Iowa State University	Wang Laboratory	Tissue Engineering and Nanotechnology	<a href="https://qunwanglab.com/">https://qunwanglab.com/</a>
IA	Iowa State University	Hashemi Lab	Bio Microfluidics and Optofluidic Systems	<a href="http://web.me.iastate.edu/hashemi/">http://web.me.iastate.edu/hashemi/</a>
KS	Wichita State University	Multidisciplinary Human Biomechanics and Design Lab	Biomechanics	<a href="https://www.wichita.edu/academics/engineering/biomedical/Dr__Hakansson__Biomechanics_Lab.php">https://www.wichita.edu/academics/engineering/biomedical/Dr__Hakansson__Biomechanics_Lab.php</a>
KS	University of Kansas	3D Microfluidics & BioFabrication Lab	3D Engineering	<a href="https://bioengr.ku.edu/sites/bioengr.ku.edu/files/images/galleries/He%20Lab.pdf">https://bioengr.ku.edu/sites/bioengr.ku.edu/files/images/galleries/He%20Lab.pdf</a>
KY	University of Kentucky	Dziubla Laboratory	Regenerative Medicine and Cancer Therapy	<a href="http://dziublalab.engineering.uky.edu/">http://dziublalab.engineering.uky.edu/</a>
KY	University of Louisville	Soucy Lab	Biomimetics & Tissue Engineering	<a href="http://louisville.edu/speed/bioengineering/be-research/biomimetics-tissue-engineering-laboratory">http://louisville.edu/speed/bioengineering/be-research/biomimetics-tissue-engineering-laboratory</a>
LA	Louisiana Tech University	Decoster Lab	Cellular Neuroscience	<a href="http://madneuron1.wixsite.com/decosterlab01d">http://madneuron1.wixsite.com/decosterlab01d</a>
LA	Louisiana State University	Jung Lab	Regenerative Engineering	<a href="https://sites.google.com/site/jangwookphilipjung/home">https://sites.google.com/site/jangwookphilipjung/home</a>
ME	University of Maine	Laboratory for Surface Science and Technology	Sensor and Nanotechnology	<a href="https://umaine.edu/lasst/">https://umaine.edu/lasst/</a>
MD	University of Maryland	Cell and Microenvironmental Engineering Lab	Cell Engineering, Microtechnology, and Quantitative Mechanobiology	<a href="http://www.bioe.umd.edu/node/376">http://www.bioe.umd.edu/node/376</a>
MD	University of Maryland	Herold Lab	Microfluidic Technology	<a href="https://bioe.umd.edu/~herold/">https://bioe.umd.edu/~herold/</a>
MA	Harvard University	Wyss Institute	Bioengineering	<a href="https://wyss.harvard.edu/">https://wyss.harvard.edu/</a>
MA	Northeastern University	Annabi Lab	Biomedical Engineering	<a href="https://web.northeastern.edu/annabi/">https://web.northeastern.edu/annabi/</a>
MI	University of Michigan	The Micro/Nano/Molecular Biotechnology Lab	Microfluidics	<a href="https://microfluidics.engin.umich.edu/">https://microfluidics.engin.umich.edu/</a>
MI	University of Michigan	Integrated Biosystems and Biomechanics Laboratory	Bioengineering, Biophysics, and Biology	<a href="http://me-web.engin.umich.edu/ibbl/">http://me-web.engin.umich.edu/ibbl/</a>
MN	University of Minnesota	Tranquillo Research Group	Cardiovascular Tissue Engineering	<a href="http://tranquillo.umn.edu/">http://tranquillo.umn.edu/</a>
MN	University of St. Thomas	Okamoto Lab	Computational Biology	<a href="https://www.stthomas.edu/biology/research/okamoto-lab--computational-biology-research.html">https://www.stthomas.edu/biology/research/okamoto-lab--computational-biology-research.html</a>
MS	University of Mississippi	Mississippi Center for Clinical and Translational Research	Obesity Research	<a href="https://www.umc.edu/Research/Centers-and-Institutes/Centers/Mississippi-Center-for-Clinical-and-Translational-Research/Mississippi-Center-for-Clinical-and-Translational-Research-Home.html">https://www.umc.edu/Research/Centers-and-Institutes/Centers/Mississippi-Center-for-Clinical-and-Translational-Research/Mississippi-Center-for-Clinical-and-Translational-Research-Home.html</a>
MO	University of Missouri	Nano-Biotech Lab	Bioengineering	<a href="http://gulab.dalton.missouri.edu/">http://gulab.dalton.missouri.edu/</a>

# Human-Relevant Research Universities Across the United States

State	University	Lab Name	Subject Focus Area	Website
MO	Washington University in St. Louis	Bateman Lab	Diagnosis and Treatments of Alzheimer's Disease	<a href="https://neuro.wustl.edu/labs/bateman_r/">https://neuro.wustl.edu/labs/bateman_r/</a>
MT	University of Montana	BioSpectroscopy Core Research Laboratory	BioSpectroscopy	<a href="http://hs.umt.edu/cbsd/facilities/biospectroscopy/default.php">http://hs.umt.edu/cbsd/facilities/biospectroscopy/default.php</a>
MT	Montana State University	Standardized Biofilm Methods Lab	Biofilm Engineering	<a href="http://www.biofilm.montana.edu/research-program/standardized_biofilm_methods_lab.html">http://www.biofilm.montana.edu/research-program/standardized_biofilm_methods_lab.html</a>
NE	University of Nebraska Medical Center	Kim Lab	Neurological Diseases and Stem Cell Research	<a href="https://www.unmc.edu/regenerativemed/research/labs/kimlab.html">https://www.unmc.edu/regenerativemed/research/labs/kimlab.html</a>
NE	University of Nebraska Medical Center	Duan Lab	Tissue Engineering	<a href="https://www.unmc.edu/regenerativemed/research/labs/duanlab.html">https://www.unmc.edu/regenerativemed/research/labs/duanlab.html</a>
NV	University of Nevada, Reno	Imaging and Bioinformatics Lab	Imaging and Bioinformatics	<a href="http://vision.lbl.gov/index.html">http://vision.lbl.gov/index.html</a>
NV	University of Nevada, Reno	Bioinformatics and Genome Evolution Lab	Genomics	<a href="https://genomeevol.wordpress.com/">https://genomeevol.wordpress.com/</a>
NH	University of New Hampshire	Cote Laboratory	Biochemistry	<a href="https://www.cotelab.org/">https://www.cotelab.org/</a>
NJ	Stevens Institute of Technology	Wang Laboratory	Tissue Reconstruction	<a href="https://www.stevens.edu/schaefer-school-engineering-science/departments/biomedical-engineering/research/wang-lab">https://www.stevens.edu/schaefer-school-engineering-science/departments/biomedical-engineering/research/wang-lab</a>
NJ	Stevens Institute of Technology	Hazelwood Lab	Translational Research in Medicine	<a href="https://www.stevens.edu/schaefer-school-engineering-science/departments/biomedical-engineering/research/hazelwood-lab">https://www.stevens.edu/schaefer-school-engineering-science/departments/biomedical-engineering/research/hazelwood-lab</a>
NM	University of New Mexico	Adolphi Lab	Biochemistry and Molecular Biology	<a href="https://bmb.unm.edu/research/adolphi-lab.html">https://bmb.unm.edu/research/adolphi-lab.html</a>
NM	University of New Mexico	Sklar Lab	High Throughput Flow Cytometry	<a href="https://pathology.unm.edu/research/faculty-laboratories/sklar-research/index.html">https://pathology.unm.edu/research/faculty-laboratories/sklar-research/index.html</a>
NY	Columbia University	Laboratory for Stem Cells and Tissue Engineering	Tissue Engineering	<a href="http://gvn.hostedplace.com/">http://gvn.hostedplace.com/</a>
NY	Rensselaer Polytechnic Institute	Karande Lab	Tissue Engineering	<a href="http://homepages.rpi.edu/~karanp/">http://homepages.rpi.edu/~karanp/</a>
NC	University of North Carolina, Chapel Hill	Allbritton Laboratory	Microfabricated Platforms and Microengineered Systems	<a href="http://allbritton.web.unc.edu/">http://allbritton.web.unc.edu/</a>
NC	Duke University	Bursac Lab	Regenerative Medicine	<a href="http://bursaclab.pratt.duke.edu/">http://bursaclab.pratt.duke.edu/</a>
ND	North Dakota State University	Nanobioengineering Lab	Developing Next Generation Tools for Biology	<a href="https://sites.google.com/view/ndsunanobioengineering/home">https://sites.google.com/view/ndsunanobioengineering/home</a>
ND	North Dakota State University	Nanoelectronic Sensor and Device Lab	Sensor Design of Disease Monitoring and Diagnosis	<a href="https://www.ndsu.edu/pubweb/~danlwang/">https://www.ndsu.edu/pubweb/~danlwang/</a>
OH	Ohio State University	Ayers Lab	HIV/AIDS-Related Lymphoma Biospecimens and Imaging	<a href="https://cancer.osu.edu/research-and-education/labs-and-facilities/ayers-lab">https://cancer.osu.edu/research-and-education/labs-and-facilities/ayers-lab</a>
OH	Ohio State University	Biological and Applied Nanotechnology Laboratory	Biomolecular and Biomedical Engineering	<a href="https://winternanotech.osu.edu/">https://winternanotech.osu.edu/</a>
OK	The University of Oklahoma	Laboratory for Engineering Living Tissue Systems	Tissue Engineering and Regenerative Medicine	<a href="http://www.ou.edu/coe/ise/people/binil_starly">http://www.ou.edu/coe/ise/people/binil_starly</a>
OK	The University of Oklahoma	Translational Regenerative Medicine Laboratory	Tissue Engineering , Stem Cells, and Biomechanics	<a href="http://trml.ou.edu/research/">http://trml.ou.edu/research/</a>

# Human-Relevant Research Universities Across the United States

State	University	Lab Name	Subject Focus Area	Website
OR	Oregon Health and Science University	Bertassoni Lab	3D Printing and Biofabrication	<a href="http://www.bertassonilab.com/">http://www.bertassonilab.com/</a>
OR	University of Oregon	Neurophysiology Lab	Neuromuscular Function	<a href="https://christielab.uoregon.edu/research/">https://christielab.uoregon.edu/research/</a>
PA	University of Pittsburgh	Drug Discovery Institute	Drug Development through Quantitative Systems Pharmacology	<a href="https://www.upddi.pitt.edu/">https://www.upddi.pitt.edu/</a>
PA	University of Pennsylvania	BIOLines	Bioengineering Technologies	<a href="http://biolines.seas.upenn.edu/index.html">http://biolines.seas.upenn.edu/index.html</a>
RI	Brown University	Center to Advance Predictive Biology	Modernizing Toxicity and Drug Testing	<a href="https://www.brown.edu/research/projects/center-to-advance-predictive-biology/about-us">https://www.brown.edu/research/projects/center-to-advance-predictive-biology/about-us</a>
RI	University of Rhode Island	Pharmaceutical Engineering Laboratory	Pharmaceutical Engineering	<a href="http://egr.uri.edu/biolab/">http://egr.uri.edu/biolab/</a>
SC	University of South Carolina	Jabbari Lab	Pluripotent Bone Marrow Cells	<a href="http://www.che.sc.edu/faculty/jabbari/jabbaripositions.htm">http://www.che.sc.edu/faculty/jabbari/jabbaripositions.htm</a>
SC	University of South Carolina	Computational Biology Lab	Computational Biology and Medicine	<a href="https://ifestos.cse.sc.edu/?q=aboutus">https://ifestos.cse.sc.edu/?q=aboutus</a>
